Sub: Handling of Grievances on the EPFiGMS Resolution of Grievances within seven days-reg.

Sir,

During the review meeting of Zonal ACC taken by CPFC on 7th & 8th August 2015 the issue of handling of grievances was discussed and CPFC desired that the feedback section on the EPFiGMS be examined closely and necessary corrective actions be taken to improve the quality of grievances redressal in EPFO.

CPFC has also desired that best practices in your respective zones be identified in the area of handling of grievances and the same be circulated for adoption by other field offices.

It has also been emphasised by CPFC that not only disposal of grievances but analysis of the grievances so disposed is also important. Accordingly, efforts should be made to try and understand the major reasons which are leading to generation of grievances and see if any systemic efforts could be made to pre-empt generation of such grievances.

CPFC has further instructed that the target for grievance resolution should now be reduced further. **Barring 15-20 big offices, all other offices should resolve the grievances received within seven days.**

You are, therefore, requested to kindly take personal interest in ensuring that the above instructions given by CPFC are followed in letter and spirit, so that the image of our organization further improves in the arena of redressal of public grievances.

Yours faithfully,

(S.K. Nayak)

Addl. Central Provident Fund Commissioner (CSD)
