OFFICE MEMORANDUM

Subject :- Streamlining Action on Public Grievances – Level of disposal for closing of grievances received under CPGRAMS

Department of Administrative Reforms and Public Grievances regularly reviews the pending public grievances and response from the petitioners lodging their grievances on the pgportal.

2. A closer examination of the disposal of grievances has indicated that grievances are being closed without the complainant knowing the reasons therefore so that the disposal is in a more responsive manner. It is therefore requested that the decision to close a case may be taken at a sufficiently senior level of Director / Joint Secretary level in the Ministry / Department / Organisation and any letter or Orders etc. issued by the Ministry / Department / Organization concerned for redress of the grievance or for not acceding to the request for valid reasons, may also be uploaded into the portal.

3. All Ministries / Departments are requested to note the above instructions for compliance to ensure effective redress of public grievances.
