Subject- Systematic improvement for smooth & transparent administration of the facilitation centres/PROs-Reg.

Sir,

It has come to notice that members, pensioners & other stakeholders are facing difficulties in getting their grievances/queries resolved on visiting the facilitation centres/PROs.

2. In order to provide a better experience to the stakeholders visiting the facilitation centres/PROs, the following systematic improvements are issued for smooth & transparent administration of the PROs :-

- (i) In the PRO counter proper name plates displaying the name, designation and ID of the official manning the counter / interacting with the public should be placed in the visible manner.
- (ii) Every official including PRO shall wear the official ID card in such a way that his / her credentials are visible to the customer.
- (iii) No person other than the designated official should be allowed to interact with the public in the PROs.
- (iv) The grievances and complaints of the customers should be sorted out at the PRO counter itself and members should be discouraged from visiting the sections. The requisite amenities such as intercom should be provided for smooth communication between the PRO and the sections for the purpose of providing satisfactory response to the customers.
- (v) On entrance / reception of PROs, a separate suggestion box and grievance / complaints box must be fixed in wall for the customers

(This has the approval of CPFC)
