No. CSD/Review (CPFC)/2018-19

Dated: -

To,

All Additional Central P.F. Commissioner,
All Regional P.F. Commissioners,
Regional Offices.

Sub: - Action points emerged during the CPFC review meeting held on
10.07.2018-reg.

Sir/Madam,

Please find enclosed herewith approved minutes of the CPFC review meeting held on 10.07.2018 alongwith action points emerged during the review. In this regard, it is requested to take appropriate action at their level in the matter pertaining to their Division.

This issue with the approval of ACC (CSD).

Encl.: As above

Yours faithfully

(Birendra Kumar)
Regional P.F. Commissioner-I (CSD)

Copy to:- RPFC (NDC) for web circulation on EPFO website.

Action Points

CPFC Review of Customer Service Division

(10-07-2018)

During CPFC review meeting held on 10.07.2018, the following Action Points have emerged :

1. It was observed that a good number of grievances are received from the staff/officers of EPFO which are related to HR matter. In this regard CPFC directed that the EPFO employees must be provided a forum/channel like(HR soft portal). CPFC directed to activate the relevant portal(Staff Grievance Handling System SGHS) on EPFO website.

(Action: ACC HRM)

2. It was decided that grievances of those members who visit field offices in person, must be registered in EPFiGMS by the field offices and registration number of the grievance should be provided to the members so that they can track the status of disposal of grievance on line. Customer Service Division, Head Office can issue necessary directions in this regard.

(Action: All Zonal ACC,CSD, HO)

3. As regards email grievances received, it was directed by CPFC that since 12 nos. of DEOs are being deployed by NDC to attend the emails received on employeefeedback@epfindia.gov.in and employerfeedback@epfindia.gov.in, the email grievances received on other email ids are to be forwarded to these two email ids "employeefeedback@epfindia.gov.in/employerfeedback@epfindia.gov.in" as the case may be. Thus, NDC team which attends to the emails of stake holders will be the nodal point for replying to all email grievances.

(Action: ACC, IS)

4. CPFC desired to review the Zones through video conference based on the zone wise data of grievances which will be prepared by CSD.

(Action :ACC CSD)

5. Regarding poor quality and delayed disposal in EPFIGMS, CPFC directed to introduce appellate mechanism in EPFIGMS. Any grievance which remains unresolved for a specific period of time should be escalated to the next higher authority. Zonal ACCs should randomly check the quality of disposal of grievances on EPFIGMS. A proposal in this regard be submitted within a week.

(Action: ACC CSD)

6. It was observed that maximum number of grievances received in 2017-18 were related to transfer cases. To minimise such grievances there is a need to merge the various UAN allotted to a single Member/subscriber. A drive be launched towards this purpose from 15-08-2018.

(Action: ACC IS)

7. It was observed that in 2017-18, out of 8 categories of grievances in EPFIGMS, the second highest number is received in "Others Category". Receipts of large number of grievance being shown in "others"category prevent clarity. CPFC directed that more number of categories be created in the proposed revamping of EPFIGMS.

(Action: ACC CSD)

8. It was seen that a major cause of grievance generation is delay in settlement of claims/high return rejection ratio. This delay in claim settlement can be addressed to a certain extent by increasing/facilitating the member to submit their claim on line. However, as only those members, who have seeded their Aadhar in KYC which is approved by the employer and member's bank account is linked with Aadhar, can submit their claim on line, it was decided that a drive for linking Aadhar with UAN may be launched from 15.8.2018.

(Action: ACC IS)

9. It was seen that after introduction of Digital Jeevan Praman Patra, grievance related to pensioners have increased. As many of the pensioners are residing in remote areas, they are unable to submit their digital Jeevan Praman Patra, which may be one of the causes of increase in pension related grievances. It was decided that a drive be launched by the field offices to obtain the digital life certificate in respect of those pensioners whose pension has been stopped after introduction of digital life certificate, to be monitored by HO Pension Division.

(Action :ACC Pension)

10. CPFC appreciated the concept of "Nidhi AapKay Nikat " and observed that if conducted properly it can play a major role in making aware the stakeholders about the new initiatives and sharing of information which in turn will reduce the filing of grievances. It was directed that necessary circular in this regard to be issued afresh. The appropriate portal for receiving the report on conduct of "Nidhi AapKay Nikat" from the field offices to be developed within 15 days.

(Action:ACC, Publicity, ACC, IS)

11. It was directed that advertisement on PMRPY needs to be released on 15.08.18 in various newspapers.

(Action: ACC, PMRPY, ACC Publicity)
