**Sub: CAG Report on performance review of the working of
EPFO for the period 2006-2011 - regarding**

Sir,

While conducting the performance audit of EPFO for the period 2006-07 to 2010-11, the CAG has pointed out certain discrepancies which are required to be noted by all the filed offices for strict adherence so that such observations are not repeated in future. An Action Taken Report in confirmation to the compliance of this direction may also be forwarded to Head Office.

2. The CAG report has pointed out that the filed offices do not take prompt action to collect the fines awarded by the Courts and deposit them in EPF account. The observations is made on the basis of the date provided by the RO/SROs. All the RPFCs/OICs of RO/SROs are advised to be careful in monitoring the court cases, their disposal and prompt collection of fines wherever awarded.

3. The CAG report has also pointed out that there is considerable delay in filing IPC cases where the contributions deducted from the wages of the employees are not remitted to the statutory account by the employer. The Audit noted that the substantial delay in initiating appropriate legal proceedings by the EPFO seriously impacts the timely collection of dues. The instruction in this regard is once again reiterated that the concerned assessing officers/officer-in-charge of compliance matter should ensure filing of police complaints with the police authorities on month to month basis wherever such offences occur and are detected.

4. These instructions are for strict compliance. Please acknowledge receipt and forward Action Taken Report.

Yours faithfully,
