Sir,

Redressal of Public Grievances is a mandatory success indicator of the RFD targets of EPFO as Responsibility Centre of the ministry of Labour & Employment, for the year 2013-14. EPFIGMS has been functional since May 2010. The operational instructions and relevant directions for operationalising the EPFIGMS were issued vide letters cited above. It is reiterated that all grievances received in the respective EPF field offices, whether received on-line, through email or in paper form across the counter, are compulsorily registered in EPFIGMS and disposal is also reported through EPFIGMS only. **It may be ensured that no separate registers or local programmes are used to record track and resolve grievances.** Any complaints received about non-registration of grievances in EPFIGMS shall be viewed seriously. The escalation matrix prescribed, vide CPFC's directions of 5th May 2010 and associated instructions are to be followed compulsorily.

The respective Zonal ACCs are requested to ensure that the above instructions are complied with.

Yours sincerely

(P.K. Udgata)
